Items for discussion:

Shows:

Our show dates for this year are May 15, September 11, and September 25. Due to scheduling difficulties, we will not be adding a show as we had previously discussed.

The judge for September 11 will be Rick Fanella. Gloria will secure a judge for the May show.

Last years' Ranch classes were a big hit. We are looking into expanding these classes, possibly to include a class for W/T riders.

We also discussed adding more classes for W/T riders.

Showbill is in the process of being updated but is awaiting final decisions on the possible addition of Ranch and W/T classes.

We will plan to schedule next years dates before the end of this year.

Karen S. has inquired about running one of her Pepper's Legacy shows at Spring Grove this year, possibly in late May. Details are being looked into.

Budget and Awards:

It was verified that we have enough money in the bank to purchase ribbons for the upcoming season.

Ribbons will be updated to get rid of the "50th Anniversary" line on the button.

We need to decide on high point trophies and awards for this year. People seemed to like the new awards last year. Kelley agreed to do the chairs again for year end high point.

Gloria is in need of a new computer for high point. Steve and Adam might have something she can use but it might need some work. They will follow up with that.

Sponsorships:

Paula and Adam will work on updating the sponsorship form and letters. We need to reach out to previous sponsors to see if they are willing to continue their sponsorship. We also need to see if anyone has any new potential sponsors.

Next meeting:

6:00 March 8 we will host a Zoom call. There will be a post on Facebook for people to email us if they want to be sent the link. Email is springgrovehorseshow@mail.com
